

SMALL EMPLOYER GROUP FORMULARY

This formulary will be used to determine drug coverage and copay tiers for your pharmacy benefits.

The formulary is broken out in sections based on type of drug and copay tier.

- Tier 1- \$ 0 Cost Share: Patient Protection & Affordable Care Act (ACA) Preventive Medications
- Tier 2- \$15 Cost Share (after deductible): Preferred Generics
- Tier 3- \$50 Cost Share (after deductible): Non-Preferred Generics & Preferred Brands
- Tier 4- \$100 Cost Share (after deductible): Non-Preferred Brands
- Tier 5- \$0 Cost Share up to \$1,000/Prescription (after deductible)*: Specialty Drugs
*Once the deductible has been met, members are responsible for cost of the prescription exceeding \$1,000.

Things to note about the formulary:

- Generic medications are listed in lower case letters and brand name medications are CAPITALIZED.
- Formulary excluded products are not covered.
- Inclusion on this list does not guarantee coverage.
 - Certain medications have specific criteria that need to be met before they will be covered.
 - Certain medications have specific limits in place.
- Formulary Changes
 - Brand name drugs will be removed from formulary when their generic equivalents become available in adequate supply.
 - Drugs may be added or removed from formulary during the year. These changes will be posted on the member portal. You may also contact FairoRx for an updated formulary.

Questions: Contact FairoRx member services at 833-464-9600.

Tier 1- \$0 Cost Share

Patient Protection & Affordable Care Act (ACA) Preventive Medication List

The Patient Protection and Affordable Care Act (ACA) makes coverage of certain preventive medications and supplements available to you at no cost (no copay, no coinsurance, no deductible). This following list of preventive medications should be used as a guide. It is not considered a comprehensive list of medications covered without cost-sharing.

Important information:

- Generic medications are listed in lower case letters and brand name medications are CAPITALIZED.
- A prescription from a licensed healthcare provider is required for all ACA medications, including over the counter (OTC) drugs.
- Inclusion on this list does not guarantee coverage.
- Some medications listed may not be covered under your prescription drug plan and may be covered under your medical plan.
- Certain restrictions, such as age or condition, or other requirements may apply to receive these drugs at no cost.
- Only generics and the brands listed are covered at no cost share. Note: Brands listed will no longer be covered when the generic becomes available.
- An exceptions process is available if a brand is medically necessary when the listed agent(s) are not medically appropriate.
- This list is subject to change as ACA guidelines are updated.
- For specific questions about your coverage, please call the phone number printed on your member ID card.
